ON THE STREET WHERE  
YOU LIVE

ALAN JAY LERNER FREDERICK LOEWE

I have often walked down this street  
before  
But the pavement always stayed  
Beneath my feet before.  
All at once am I sev'ral stories high,  
Knowing I'm on the street where you  
live.

Are there lilac trees in the heart of  
town?  
Can you hear a lark in any other part  
of town?  
Does enchantment pour out of ev'ry  
door?  
No, it's just on the street where you  
live.  
And oh, the towering feeling,  
Just to know somehow you are near!  
The overpowering feeling  
That any second you may suddenly  
appear!

People stop and stare,  
They don't bother me;  
For there's nowhere else on earth  
That I would rather be.  
Let the time go by,  
I won't care if I can be  
Here on the street where you live.

## SWEET HEARTACHES

JIMMY KENNEDY NAT SIMON

Sweet heartaches, that's what you bring  
me,  
Sweet heartaches all the time.  
You take me up to Heaven  
On a thrilling kiss,  
But then, I'm back in it for a minute,  
Then I'm back to earth again.  
Because of sweet heartaches,  
It's all so crazy,  
Startin', stoppin', startin' all anew.  
But hearts are to forgive with,  
So, I'll love and live with  
Those sweet heartaches from you.

## IN A SHANTY IN OLD SHANTY TOWN

JOE YOUNG LITTLE JACK LITTLE JOHN SIRAS  
It's only a shanty in old Shanty Town,  
The roof is so slanty it touches the  
ground;

But my tumbled down shack,  
By an old railroad track,  
Like a millionaire's mansion,  
Is calling me back.  
I'd give up a palace, if I were a king;  
It's more than a palace, it's my  
ev'rything.

There's a queen waiting there with a  
silvery crown,  
In a shanty in old Shanty Town.

## BORN TO BE WITH YOU

DON ROBERTSON

Born to be with you

By your side satisfied  
Through and through,  
'Cause I was born to be with you

Wondrously, love can see  
So I knew that I was born to be with  
you

Do I find peace of mind?  
Yes, I do!  
'Cause I was born to be with you  
All life through,  
Yes I was born to be with you

## TELL ME WHY

TITUS TURNER

Ev'ry time I look at someone new,  
Tell me why I think of you;  
Then you sometimes pass me by,  
You're playing with love,  
Darling, tell me why.  
You left me all alone, to cry over you;  
My heart is tired and broken,  
And there's nothin' left to do,  
In my prayer I'll mention you;  
Without your love, I feel so blue;  
Why can't I have all of you;  
Oh, somebody, please tell me why.

## THAT'S THE WAY THAT I FEEL

REDD EVANS TED SHAPIRO

What a wonderful feeling  
When your senses go reeling  
From your feet on the ceiling.  
That's the way that I feel  
When I'm held in your arms!  
What a pleasant disaster  
If a heartbeat goes faster  
When it knows who's the master,  
That's the way that I feel  
When I'm held in your arms!  
Gee, this is great though  
I know this feeling won't last,  
But I'm a tempter of fate,  
And I don't give a hoot  
When I'm off on a toot!  
I don't want to be clever,  
Think of leaving you never,  
I could love you forever  
That's the way that I feel  
When you're holding me tight in your  
arms!

## I ALMOST LOST MY MIND

IVORY JOE HUNTER

When I lost my baby  
I almost lost my mind  
When I lost my baby  
I almost lost my mind  
My head is in a spin  
Since she left me behind

I pass a million people,  
I can't tell who I meet  
I pass a million people  
I can't tell who I meet  
'Cause my eyes are full of tears,  
Where can my baby be?

I went to see a gypsy  
And had my fortune read  
I went to see a gypsy,  
And had my fortune read  
I hung my head in sorrow  
When she said what she said

Well, I can tell you people,  
The news was not so good  
Well I can tell you people,  
The news was not so good  
She said your baby quit you  
This time she's gone for good

## THE TREASURE OF LOVE

JOE SHAPIRO LOU STALLMAN

The treasure of love is easy to find,  
It's waiting for you if your heart isn't  
blind.  
The treasure of love is not very far,  
It glows like a fire and it shines like a  
star.

It's stronger than diamonds,  
Worth more than gold,  
For this is a treasure that never grows  
old.

The treasure of love is found on no  
chart,  
To find where it is just look in your  
heart.

## SECOND FIDDLE

JOHN REDMOND JAMES CAVANAUGH IRVING TAYLOR  
FRANK WELDON

I was playing second fiddle  
I was caught in a losing romance  
You were also second fiddle  
You, too, played the game with no  
chance

We were losers, we were weepers  
They called us birds of a feather  
Now we're finders, now we're keepers  
Two aching hearts got together  
We were playing second fiddle  
Then we met and gave love a new  
start

No more playing second fiddle  
Now that we're first in each other's  
heart.

## OLD FASHIONED

"rock 'n' roller"

## TERESA BREWER

If ever a songtitle perfectly describes the person who sings it it's Teresa Brewer's newest Coral record, "A Sweet Old Fashioned Girl." For if you want to pinpoint Teresa's personality in one concise phrase, "sweet old fashioned girl" would do it magnificently

Teresa led a small-town home-life as a child in Toledo. She has always had a sincere and active interest in her religion. She has a deep affection for her parents and four younger brothers who still reside in Toledo. In her current home-life in New Rochelle, N. Y., she does all her own cooking, cleaning, shopping and housework. Can a girl be more "old fashioned" than that?

Being old-fashioned doesn't mean wearing hoop-skirts and pantaloons, though. Teresa, when at home, usually sports blue jeans and a blouse, a la many of her teenage admirers. She finds such dress most suitable for such at-home chores as feeding the baby, working in her garden and keeping the house tidy. Of course, when she leaves the confines of her home, she dresses more appropriately.

Teresa doesn't mind in the least being called "old-fashioned." In fact she takes it as a high compliment "I guess I'm just a homebody at heart," she says.

But leave it to Teresa. Though a mother of three little girls when it comes to pop music she's as up-to-date as the kids who buy her records.

That's why she's particularly pleased with her disc, "A Sweet Old Fashioned Girl" (written by Bob Merrill of "Doggie In The Window" fame) for though it opens with a Gay Nineties flavor and intermittently goes into a minuet-type beat, there's no question that the song is essentially a rock 'n' roll tune. In fact, the lyrics reflect the conflict in the mind of a sweet and pert young lady who's really a rock 'n' roller at heart

Tessie washes the dishes like a dutiful wife. At home, she's plain Mrs. Monahan.

**TIRING  
IN HOT  
WEATHER**

Why add to your problems at "problem times"? Why put up with hot, "chafey," uncomfortable external pads, when Tampax\* is as available as your corner drug or notion store? By getting rid of unnecessary bulk (belts, pins and pads) internally-worn Tampax makes you feel far cooler—even, in many instances, less tired. For discomfort is downright tiring—and *nothing* could be more comfortable than Tampax.

Tampax is far more fastidious, too, than "the other way." The wearer's hands needn't ever touch the Tampax. It prevents odor from forming. It's easy to dispose of, applicator and all. No wonder millions of women prefer this modern sanitary protection; *nothing* could be more convenient!

If you plan an active summer, comfortable Tampax is an absolute necessity! It's the only kind of protection that lets you go swimming—any time of the month. It never "shows" beneath the most abbreviated clothes. Choice of 3 absorbencies (Regular, Super, Junior). Tampax Incorporated, Palmer, Mass.

### STANDING ON THE CORNER

FRANK LOESSER

Standing on the corner watching all the  
girls go by,  
Standing on the corner watching all the  
girls go by.  
Brother you don't know a nicer  
occupation,  
Matter of fact neither do I.  
Than standing on the corner watching  
all the girls,  
Standing on the corner watching all the  
girls go by.

Standing on the corner watching all the  
girls go by,  
Standing on the corner giving all the  
girls the eye.  
Brother if you've got a rich  
imagination,  
Give it a whirl, give it a try.  
Try standing on the corner watching  
all the girls,  
Standing on the corner watching all the  
girls go by.

Standing on the corner watching all the  
girls go by,  
Standing on the corner underneath a  
springtime sky.  
Brother you can't go to jail for what  
you're thinking,  
Or for the "wooooo" look in your eye.  
You're only standing on the corner  
watching all the girls,  
Standing on the corner watching all the  
girls go by.

I'm the cat that got the cream,  
Haven't got a girl,  
But I can dream.  
Haven't got a girl,  
But I can wish,  
So I take me down to Main Street,  
And that's where I select my imaginary  
dish!

Saturday and I'm so broke,  
Couldn't buy a girl a nickel coke.  
Still I'm living like a millionaire,  
When I take me down to Main Street,  
And I review the harem parading for  
me there.

## THE WAYWARD WIND

STAN LEBOWSKY HERB NEWMAN

Oh, the wayward wind  
Is a restless wind  
A restless wind  
That yearns to wander;  
And he was born  
The next of kin  
The next of kin  
To the wayward wind.

In a lonely shack by a railroad track,  
He spent his younger days,  
And I guess the sound of the outward  
bound  
Made him a slave to his wand'rin' ways.

Oh, I met him there in a border town,  
He vowed we'd never part,  
Tho' he tried his best to settle down,  
I'm now alone with a broken heart.

Hold me close, hold me tight;  
Make me thrill with delight;  
Let me know where I stand from the  
start.

I want you, I need you, I love you  
With all my heart.  
Ev'rytime that you're near  
All my cares disappear.  
Darling, you're all that I'm living for.  
I want you, I need you, I love you  
More and more.

I thought I could live without romance  
Before you came to me.  
But now I know that I will go on  
Loving you eternally.  
Won't you please be my own?  
Never leave me alone,

## 'THE CAT' ELVIS PRESLEY

There's one young fellow who is understandably confused by all the attention he's been getting of late. He's none other than the teen-agers' idol... Elvis Presley. That name has been on the lips of more youngsters than any other musical celebrity of our time.

Elvis should have recorded the song, "The Magic Touch", because it sure looks like he's got it where the kids are concerned. Both boys and girls have taken to this young fellow, who two short years ago confined his singing activities to the cab of his truck. Now he's got so many singing engagement offers that he can't possibly keep them all.

Everybody concerned with Elvis is naturally happy over his fantastic success... although they, too, are stunned by his meteor-like rise to the top. RCA Victor has had tremendous results with all of his releases and plans to feature him in both albums and single sides as fast as they can get them to the eager and waiting public. No one so far has been able to offer any logical explanation for Elvis' "zoom" to the top in record time. However, the fans don't seem to care why. All they know is he sings the way they want — and that's good enough for them.

It's been more than good enough for Elvis, who spends much of his leisure time driving one of his three Cadillacs.

Despite the fact that he is the kingpin of the new group of singers, he still remains the almost shy fella he's always been. That may seem hard to believe, but it's true... he really is sort of shy.

That he's a sensational performer can't be denied. All you have to do is read that Elvis is appearing somewhere, and the kids go wild. A check of the charts will bear us out on that statement. In the "Top 100 Tunes In The Nation", according to the trade paper Billboard, Elvis Presley accounts for six. That's more than any other singer in the country, so this is quite a feather in the cap of a young fellow who's been in show business for only a short time. The musical trend is certainly pointing to Elvis Presley.

In our giant contest, which offers as first prize a date with handsome Elvis, we've received so many letters, it takes a whole staff of people just to handle the contest mail. HIT PARADER has run many contests, but has never seen anything like the tremendous response to our "Win A Date With Elvis Presley" contest. Elvis Presley has almost single-handedly set a new tangent in music, and the teen-agers love every "jumpin'" word he utters. So, if you want to find out who's going to win a date with Elvis, read the next column.

TOM GLAZER ALEX ALSTONE

You're more than life to me.  
More than eternity.  
And the more I know of you.  
All the more I love you.  
I need you more each day.  
Much more than words can say.  
More than forevermore.  
I'll be yours.

The silver moon that fades too soon.  
Will bring the dawn when you'll be  
gone.

Before you go please let me know.  
That what you feel is really real.  
So do not grieve that we must leave.  
Because I live only for.

Your love and mine, more and more.

## I WANNA KNOW

HAL DAVID LEON CARR

I wanna know, I wanna know  
Do you read books or plays or movie  
magazines?

I wanna know, I wanna know  
Do you prefer a guy in flannels or in  
jeans?

And do you wake up grouchy in the  
morning?

When you take a shower do you sing?  
After all a guy should have some  
warning

Before he runs right out to buy the  
ring.

I wanna know, I wanna know  
Do you insist on your potatoes being  
mashed?

And will I find that you're the kind  
Who has the money spent before the  
check is cashed?

And incidentally, while we're on the  
subject

Do you go for coffee, milk or tea?

I wanna know I wanna know

## GLENDORA

RAY STANLEY  
I'm in love with a dolly named Glendora  
She works in the window of a big department store-a  
Eyes of blue, hair like gold,  
Never been young but she'll never get old,  
Oh, Glendora, I wanna see more of you.

Oh, Glendora, oh, Glendora,  
Oh, Glendora, I wanna see more of you  
Oh, Glendora, what did they do to you?

She's so shy that I don't know how I found her  
With three big bodyguards always workin' around her  
One just nods, and two just grins,  
And three gotta mouth full of safety pins,  
Oh, Glendora, I wanna see more of you.

I would do anything for her affection  
But she keeps lookin' out in another direction

I stand left, and I stand right,  
Out of my head 'cause I'm out of sight,  
Oh, Glendora, I wanna see more of you.

Late last night at the store they did some changin'  
And I stood watchin' when they started rearrangin'  
She lost her wig, she lost her arms,  
And when they got through she lost all of her charms,  
Oh, Glendora, what did they do to you?

**THE MUSIC Staff**

Hi Gang:

So you think you know all about "Pop" music? Well, try your luck at this quiz and see how much you really know about your favorite stars.

Who's the sweet little doll whose real last name begins with M. and whose latest hit is about an old fashioned Rock 'n' Roller? If you said Teresa Brewer, you were right. Tessie, off-stage, is Mrs. Bill Monahan.

If you got that one right, try this one. Who is the MC of a popular teenage radio show that receives 4 pages in every issue of HIT PARADER? That was an easy one. You should have guessed Johnny Andrews of the NRFC.

Now they're going to get a little harder, kids. What handsome young singer on "Your Hit Parade", whose last name sounds like "farms", is in this month's "On The Upbeat"? It's none other than Russell Arms. The female who shares the "On The Upbeat" billing with Russell is cute Teddie King.

See if you know this one. What are the names of the four lovelies that make up the singin', swingin' Chordettes? Give up? Well, they're Carol Bushman, Janet Ertel, Lynn Evans and Margie Needham. We agree that was a tough one, but if you knew the answer, take a bow.

Without looking, can you tell us the name of our disc jockey feature? If you come up with "Disc Jockey Platter Patter" without peeking, you've got a fine memory — and what's better you're a "regular" HIT PARADER reader.

If you don't know this one right away, we'll sure be surprised. Who's got all the kids jumpin' and singin' about an imaginary hotel? He's also called the "Cat" by his many fans. By this time, we're sure you've got it... the one the only Elvis Presley.

What's the name of the fella in this month's feature section who has "un-chained" his latest smash wax on the Decca label, "Never Turn Back". Did you get the "un-chained" clue? We hope so. It was Al Hibbler who has made such a big name for himself in the last year.

This issue of HIT PARADER also has a variety of real cool pics for you on our "Photo Page" section of the NRFC. Flip a few pages and you'll be greeted by "Juke Box Dynamite". See if your predictions for the top tunes in the country agree with those of the experts.

So much for the quiz — still think you're a whiz? We do! We have a host of other interesting features we've included for your reading enjoyment. There's a story on a young fella named Anthony Satram, who writes to us all the way from South Africa. His story is a very interesting one, so be sure to read it... you'll be glad you did.

Well teens, that's it until next issue — so, so long 'til then.

## MY BABY LEFT ME

ARTHUR CRUDUP

Yes, my baby left me,  
Never said a word.  
Was it something I done?  
Something that she heard?  
My baby left me,  
My baby left me.  
My baby even left me,  
Never said a word.

Now, I stand at my window,  
Wring my hands and cry.  
I hate to lose that woman,  
Hate to say goodbye.  
You know she left me,  
Yes, she left me.  
My baby even left me,  
Never said a word.

Baby, one of these mornings,  
Lord, it won't be long.  
You'll look for me and, baby,  
And daddy he'll be gone.  
You know you left me,  
You know you left me.  
My baby even left me,  
Never said goodbye.

Now, I stand at my window,  
Wring my hands and moan,  
Ah I know is that the one I love is  
gone.

My baby left me,  
You know she left me.  
My baby even left me,  
Never said a word.

## MY BLUE HEAVEN

GEORGE WHITING WALTER DONALDSON

When Whippoorwills call  
And ev'ning is nigh  
I hurry to my blue heaven.  
A turn to the right,  
A little white light  
Will lead you to my blue heaven.  
You'll see a smiling face,  
A fireplace, a cozy room,  
A little nest that's  
Nestled where the roses bloom.  
Just Mollie and me  
And baby makes three.  
We're happy in my blue heaven.

## HEARTBROKEN

OSCAR DUMONT FRANK STANTON LARRY FOTINE

I'm so sad and blue.  
When I think of you.  
Once we were so happy, dear.  
And then you left me.  
Heartbroken, you made me feel this  
way.  
I'm heartbroken, what more is there to  
say.  
When love is through I wish I knew.  
I've tried to tell my heart it's true.  
I'm blue and heartbroken.  
And all because I put my faith and  
trust in you.  
Now if you take and don't give.  
Just as sure as you live.  
Someday you'll be heartbroken too.

## THE CHORDETTES

What started out to be a way of passing time turned into a very lucrative way of life for the four lovely misses from Sheboygan, Wisconsin. We know this quartet today as the Chordettes... the gals who sing with amazing four part harmony.

A short time after they decided they might sing for the entertainment of others in addition to their own, they headed east. The first stop was Arthur Godfrey's "Talent Scouts". They won that show with top honors — and what's more important a "permanent" birth on his "family" show. Although the "permanent" arrangement didn't last too long, it endured long enough to establish the girls as one of the top singing acts in show business.

The girls moved to the "Robert Q. Lewis Show" and are still stars of the program. Since then they have blossomed out into real entertainers. Carol Bushman does a comedy routine where she reads letters from imaginary relatives — which is quite hilarious. This bit has met with much acclaim and serves to make the Chordettes a real "show power".

The winsome foursome got their first record smash with a simple old-timer — "Mr. Sandman". The tune soared to the top and held that lofty position for a long, long time. People were whistling, humming and singing that song wherever you went. The song turned out to be a family affair, as their arranger-

conductor, Archie Bleyer, is married to Janet Ertel, one of the lovely four. The girls record for Cadence Records, which is owned by... you guessed it, Archie Bleyer.

The Chordettes' latest effort may yet be their greatest. Although that's a tall order, we think "Born To Be With You" will sell and sell and sell. It's already made a big splash and is surely — but not so slowly climbing to the very top.

Janet Ertel, Carol Bushman, Lynn Evans and Margie Needham make up the personnel of the Chordettes, and a more talented foursome is hard to find. They feel like four Cinderellas now, but success and recognition came only after long hours of work, study and determination to develop their particular style of barbershop harmony. The decision to adopt this unusual style (for women, anyway) was the brain-child of their manager... Jack Bertell.

The fact that Sheboygan is the acclaimed home of barbershop harmony may have been the reason that the Chordettes turned to that brand of singing. But, regardless of the reason, we're all glad they did. Four part harmony is difficult to achieve, but these gals have worked it out so beautifully that, when they make personnel appearances, the fans don't let them off the stage. The gals have really carved a firm niche in the ladder of success and give all indications of staying up there. We guess they were just "Born" for success.

## GRADUATION DAY

NOËL SHERMAN JOE SHERMAN

It's a time for joy, a time for tears,  
A time we'll treasure thru the years  
We'll remember always graduation day.  
At the senior prom we danced till three,  
And then you gave your heart to me  
We'll remember always graduation day.  
Tho' we leave in sorrow  
All the joys we've known,  
We can face tomorrow  
Knowing we'll never walk alone.  
When the ivy walls are far behind,  
No matter where our path may wind,  
We'll remember always graduation  
day!

## IT ONLY HURTS FOR A LITTLE WHILE

MACK DAVID FRED SPIELMAN

It only hurts for a little while  
That's what they tell me  
That's what they say.  
It only hurts for a little while  
Then all your heartaches will pass away.  
It's so easy to be smart  
With somebody else's heart  
But I don't know how to start  
Forgetting you, what can I do?  
It only hurts for a little while  
That's what they tell me  
"Just wait and see"  
But I will hurt  
Till you come back to me.

## HEADIN' HOME

BUCK RAM

Walk, walk, walk, walk, walk, walk,  
walk.

I'll walk in the sunshine,  
I'll walk in the rain,  
But I'll walk alone,  
For I'm headin' home to you.  
I'll walk thru the meadows,  
I'll walk o'er the plain,  
But I'll walk alone,  
For I'm headin' home to you.  
I'll walk thru the darkness,  
Walk thru the dawn,  
Walk ev'ry morning,  
And until the day is gone;  
I'll walk on my elbows,  
I'll crawl on my knees,  
But I'll go alone,  
For I'm headin' home to you.

Walking through heaven with you.  
For in heaven I've made my debut.  
My heartaches and blue days are  
through.  
For I'm walking through heaven with  
you.

Fate was kind to let us meet, you're

## LOVE, LOVE, LOVE

TEDDY McRAE SID WYCHE SUNNY DAVID

There ain't nothing in this world for a boy and a girl.  
But love, love, love.

Love, love, love.

There ain't nothing in this world for a boy and a girl.  
But love, love, love.

And that's the only thing I'm thinking of.  
Love can make you happy.

When you're feeling blue.

If the one you love is in love with you.  
There ain't nothing in this world for a boy and a girl.

But love, love, love.

And that's the only thing I'm thinking of.  
Love can pick you up when you feel lowdown.

Love can make you smile when you're wearing a frown.

I want it, I need it, 'll my cup.  
With love, love, love.

Love, love, love.

Love, love, love.

Let me drink till my head goes round and round.  
With love, love, love.

So come and see my.

Be my turtle dove!

## AWAY ALL BOATS

FRANK SKINNER ALBERT SKINNER LENNY ADELSON

Away all boats, I'm sending out my ships of dreams.

To bring the love I long to hold.  
They sail the sea of things that used to be.

And gently you return to me.

On waves of memory.

When I'm alone and lonely in the night again.

I think of you, I dim the light and then.  
I set my ships of fancy free to roam.  
Away all boats, a happy voyage home.

TO LOVE YOU  
(I Only Live To Love You)

MACK GORDON VICTOR YOUNG

Ev'ryone has a mission in life.  
A purpose, an aim, an ambition in life.  
Something they believe they can achieve, if they try.

Yes, ev'ryone has a mission in life.  
So do I.

To love you, I only live to love you.  
You smiled and made my blue world.  
A world of dreams come true.

To love you, I place no one above you.  
What joy it is to know you.

To know you love me too.  
When you're in my arms ev'ry kiss that we share.

Is a prayer and a vow that we will go on.

On and on for as long as the Lord will allow.

Forever so proudly I will say.

I will only live to love you.

The way I do right now.

## ROLL OVER BEETHOVEN

CHUCK BERRY

Well! I'm a-write a little letter,  
Gonna mail it to my 'local d.j.  
Yes, it's a jumpin' little record,  
I want my jockey to play.  
Roll over Beethoven,  
I gotta hear it again today.  
You know my temp'ature rises,  
And the juke box blowin' a fuse,  
My heart beatin' rhythm,  
And my soul keeps singin' the blues.  
Roll over Beethoven,  
And tell Tchaikowsky the news.  
I got the rockin' pneumonia,  
I need a shot of rhythm and blues,  
I caught the rollin' arthritis,  
Sittin' down at a rhythm review.  
Roll over Beethoven,  
They're rockin' in two by two,  
Well if you feel you like it,  
Go get your lover,  
Then reel and rock it,  
Roli it over,

Then move on up just a trifle further.  
Then reel and rock with one another,  
Roll over Beethoven  
Dig these rhythm and blues.  
Well early in the mornin',  
And I'm givin' you my warnin',  
Don't you step on my blue suede shoes.  
Hey diddle diddle,  
I'm a playin' my fiddle,  
Ain't got nothin' to lose.  
Roll over Beethoven,  
And tell Tchaikowsky the news.  
You know she wiggle like a worm,  
Dance like a spinnin' top,  
She got a crazy partner,  
You oughta see him real and rock.  
'Long as she's got a dime,  
The music won't ever stop.  
Roll over Beethoven,  
Dig these rhythm and blues.

## DON'T CRY

FRANK LOESSER

Don't cry don't cry come on back in the house

And don't cry  
Come on back in the house  
And get out from under that old cold sky.

Don't weep don't weep  
Come on back in the house, little sheep  
Come on back in the house for a smile of welcome

And go to sleep.  
Yes, I know how you feel,  
It's that wild run away feeling in your heart

When you've had the wrong dream,  
And you wake with a start.  
Well, don't cry don't cry  
Come on back in the house and don't cry

Come on back in the house  
And get out from under that old cold sky

And don't cry.

# ADVICE SET TO MUSIC

## AL HIBBLER

Al Hibbler, "The Unchained Melody Man", literally fought his way to the top — overcoming obstacles that would have discouraged a less talented and determined man. He was born in a one-story cabin near Little Rock, Arkansas, which was already overcrowded with three children — two brothers and a sister. The family had tasted deeply of poverty, and hard times were predestined for the new child. To this destiny added an even crueler touch — Al Hibbler was born blind.

Deeply religious, Al found his place in the church choir, where his beautiful soprano voice came to the attention of the authorities at the Arkansas State School for the Blind. Hibbler enrolled here and immediately was given a berth in the school glee club.

Al found peace and beauty in music, and by turning all his energies into this world, he pushed his handicaps behind him. Hibbler devoured music with the same zest that a hungry man devours food. Whenever a band came to town, he would be the first one at the door and would glue himself at the bandstand so that he wouldn't miss a note.

This was the sort of determination that led to a swinging career first — as a band vocalist and then on records as a single (via the Decca label). Al was voted the "Best Male Vocalist" for the years 1947, 1948 and 1949.

In 1950 Hibbler left Duke Ellington's band to try to make it on his own again.

In the next few years he recorded for RCA, Columbia, Atlantic and Sunrise Records. Through this time Al held his own, but didn't quite reach his star. In 1955 he returned to where he started — Decca Records — and his very first platter for that company became the nation's number one hit — "The Unchained Melody". The record became number one on the hit parade and zoomed into the coveted million sales circle.

After the "Unchained" ditty went way over the million mark in sales, the Hibbler guy cut loose with another best seller — "He". "He" also went way up above the million mark. The third hit, "Eleventh Hour Melody", was another coveted hit. So, Hibbler, through his amazing powers of determination and faith, continued to make hits.

A wonderful bit of advice a would-be vocalist could derive from Al's career in song is well said — or we should say, well sung — by Al in his current hit Decca platter dubbed "Never Turn Back". Yes, Al Hibbler has proven to the entire world that a man who has the backbone to stand up in the face of overwhelming odds can and must end up victorious — "Never Turn Back."

For those of us who did not know before, we thank you, Al Hibbler, for showing us the truth of your worldly statement in song — "Never Turn Back"!

## A SWEET OLD-FASHIONED GIRL

BOB MERRILL  
 Wouldn't anybody care to meet a sweet old fashioned girl?  
 Skoobeelee doo-bee-dum.  
 Doesn't anybody care about a sweet old fashioned pearl?  
 Skoobeelee doo-bee-dum.  
 Who's a frantic little bopper in some sloppy socks.  
 Just a crazy rock 'n rollin' little goldilocks.  
 Wouldn't anybody care to meet a sweet old fashioned girl?  
 Doesn't anybody care to hear some sweet old fashioned talk?  
 Skoobeelee doo-bee-dum.  
 Wouldn't anybody like to take a nice old fashioned walk?  
 Skoobeelee doo-bee-dum.  
 Take a walk around the corner where the cats all stop.  
 Where you dig the juicy ribs and then you dance that bop.  
 Wouldn't anybody like to take a nice old fashioned walk?  
 Scoo-bee-doo scoo-bee-doo  
 Wouldn't anybody care to meet a sweet Scoo-bee-die scoo-bee-die.  
 You'll get your kicks if you give us a try.  
 Wouldn't anybody care to meet a sweet old fashioned miss?  
 Skoobeelee doo-bee-dum.  
 Wouldn't anybody like to kiss a sweet old fashioned kiss?  
 Skoobeelee doo-bee-dum.  
 You'll just flip your little wig because we'll bet you son.  
 That you'll really dig the flavor of our bubble gum.  
 Wouldn't anybody care to meet a sweet old fashioned miss?  
 Scoo-bee-doo scoo-bee-doo  
 We went out to that house where the lights are blue.

## GOODBYE, JOHN

EDWARD EAGER ALEC WILDER  
 Goodbye, John, don't stay long.  
 Come back soon, like it says in the song.  
 Goodbye, John some fine year.  
 Come back home, I'll be waiting here.  
 Farewell my fair, my own, my bonnie.

## CAN YOU FIND IT IN YOUR HEART?

AL STILLMAN ROBERT ALLEN

Can you find it in your heart  
To forgive me?  
I was thoughtless,  
Heaven knows I acted badly  
But the love that once I gave to you so  
gladly  
Can you find it in your heart?  
Can't we make another start?  
Please forgive me  
I'm repentant and your arms alone  
Can save me  
So if carelessly I lost the love you gave  
me

Can you find it in your heart?  
Day and night I want your eyes  
To see my eyes,  
I want your lips to touch my lips,  
I want your love to be my love  
Forevermore and never, never more to  
part  
Must you tell me that it's over  
Think it over  
Though I once betrayed your love  
Forgive the treason  
And my darling if your mind can't find  
a reason  
Can you find it in your heart?

## WITH A LITTLE BIT OF LUCK

ALAN JAY LERNER FREDERICK LOEWE

The Lord above gave man an arm of iron

So he could do his job and never shirk.  
The Lord above gave man an arm of iron.

But with a little bit of luck,  
With a little bit of luck,  
Someone else'll do the blinkin' work.  
With a little bit, with a little bit,  
With a little bit of luck  
You'll never work.

The Lord above made man to help his neighbor  
No matter where, on land or sea and foam.  
The Lord above made man to help his neighbor.

Oh, you can walk the straight and narrow,  
But with a little bit of luck you'll run amok.

The gentle sex was made for man to marry;  
To tend his needs and see his food is cooked.

The gentle sex was made for man to marry,  
But with a little bit of luck;  
With a 'little bit of luck,  
You can have it all and not get hooked.

With a little bit, with a little bit.  
With a little bit of luck you won't get hooked.

With a little bit, with a little bit,  
With a little bit of blooming luck.

## LOST JOHN

RONNIE DONEGAN

Now this is the story about an escaped convict  
Called long-gone, lost John.  
It's got a nice chorus,  
So if anybody wants to join in,  
Here's the way it goes.

Now he's long, long, long gone  
Lost John was standing by the railroad track,  
A-waitin' for the freight train to come back.  
The freight train came back and never made no stop  
Lost John thought he'd have to ride the top!

Now he's long, long, long gone  
Lost John came to a country woman's house,  
And sat there as quiet, just as quiet as a mouse.  
She said, "mister lost John won't ya be ma friend?  
Be ma friend until the very end!"

Now she said, "lost John have some beer  
I'll send for the porter and he'll bring it here"  
He said "now, woman, don't you buy no beer  
The cops is on my trail and they'll soon be here."

Lost John made a pair of shoes of his own  
They was the finest shoes that ever was worn  
They had heels on the front, heels behind  
You couldn't tell which a-way lost John was gwine.

They caught lost John, put him in the pen  
The summer's been and gone and now he's out again  
If anybody asks you who sung the song  
Tell them Lonnie Donegan's been here and gone.

## (How Little It Matters) HOW LITTLE WE KNOW

CAROLYN LEIGH PHILIP SPRINGER

How little we know  
How much to discover  
What chemical forces flow  
From lover to lover?  
How little we understand  
What touches off that tingle  
That sudden explosion  
When two tingles intermingle.  
Who cares to define  
What chemistry this is?  
Who cares with your lips on mine  
How ignorant bliss is?  
So long as you kiss me  
And the world around us shatters  
How little it matters,  
How little we know.

# National Radio Fan Club

Hi everybody,

Once again it's time to call the HIT PARADER edition of the National Radio Fan Club to order. Lots of interesting news to report to all the members and all of you who would like to join the NRFC. First, for prospective new members of the club, just fill in the coupon found on this page and hustle it off to the NRFC. Before very long you will receive your membership card and will be entitled to take an active part in the voting and other activities that the club undertakes at their Friday-evening meetings over your favorite N. B. C. station.

Let's see who has been visiting the NRFC in person during the last few broadcasts. On the male side of the ledger, Johnny Andrews, the gracious host of the Friday-night shindigs, has talked to Carl Perkins, Pat Boone, The Rover Boys the English sensation Lonnie Donegan, Dick Haymes, Alan Dale, Don Cornell and Jerry Vale. On the distaff side, the club has welcomed Gisele MacKenzie and Jeri Southern.

As you know, the Friday-night meetings originate from Radio City in New York, and club members from various schools and organizations around the New York area are invited to attend. Supper is served, a tour of Radio City

JOHNNY ANDREWS

is included and every guest receives a complimentary copy of the current issue of HIT PARADER. Lately, out-of-town club members have been visiting the meetings, and so far clubs from Cleveland and Cincinnati, Ohio, Terre Haute, Indiana, and Berlin, New Jersey, have seen and heard the show. If your school group is planning a trip to New York and would like to see the show, have your advisor write to Parker Gibbs, care of NRFC, Rockefeller Center, New York, and give him the details. If possible, he will arrange a visit.

Johnny Andrews, the MC of the club, has been a very busy young man the past few months. Besides his Friday-night stint with the NRFC, Johnny had taken on the hosting of a brand new movie show over WRCA-TV in New York. The show hits the television waves five times a week, so if you are in the area, look in and say "hi" to one of our favorite people.

Beside all this radio and TV activity, Johnny is about to become a record star. He has just signed up with the new RKO Unique label as a vocalist, so as soon as he gets his first sides out, we will let you know and you will be able to add the name of Johnny Andrews to your list of handsome young singers of today.

Finally, have you heard the new feature that everybody is talking and laughing about on the Friday-night show? We mean the antics of Oscar Oddball, who just can't seem to do anything right. Oscar has become a popular member of the NRFC.

Well, that about wraps up the HIT PARADER edition of NRFC news for this month. Keep tuned to your favorite NBC station on Friday nights, and your National Radio Fan Club.

To join the NRFC please fill in the application and send to NRFC, Box 515, (Radio City Station), New York 19. N. Y. If possible enclose a small photo of yourself. Photos will not be returned.

## Gale Storm F. C.

"As far as I'm concerned, Gale Storm is the greatest vocalist on the music scene today. I would like to enroll myself in the N.R.F.C. in Gale's name. Thank you for your time and your mag," writes THOMAS B. BUSCH, 1625 Laura St., Clearwater, Florida.

## Eddie Fisher F. C.

"We want Eddie — he's our man! Yes, I would like to enroll in the National Radio Fan Club in the name of the one and only — Eddie Fisher. He is just too great for words and I would like to be accepted," writes DEBBIE FISH, Box 146, Main Street, Spartansburg, Pa.

## Pat Boone F. C.

"I feel that the HIT PARADER, the National Radio Fan Club and wonderful Pat Boone are the greatest entertainers there are. I read HIT PARADER, listen to the N.R.F.C. and love Pat Boone's recordings — O.K.?" writes JEAN FLYNN. Jean, that's just swell with us!

## Dick Lee F. C.

## Al Sears F. C.

## The Cadillacs F. C.

"I am the national president of The Cadillacs Fan Club and would like to have many new members join my club. The Cadillacs are the boys who had the big hit called 'Speedo,' which was great," writes RONNIE BASTONE, 1616 Sheephead Bay Road, Brooklyn 35, New York.

## Four Lads F. C.

"I read your HIT PARADER Magazine each and every month, and all the guys and gals here in Detroit enjoy it very much. I have a fan club for the Four Lads, and we would like to obtain many new members," writes NANCY WILHITE, 92 Elm St., River Rouge 18, Michigan.

## National Radio Fan Club News

The Crew Cuts pose with two lovely fans. The four "sheared" boys shared the spotlight with the two cute gals. Johnny served as moderator, as the questions flew.

Eddie Fisher gets some expert golf instruction from golfer-singer Don Cherry.

They all want his autograph. Fans mob singer Tony Travis as he guests on NRFC.

Gloria Mann warms up on the skins before getting set to go on the air with host of the NRFC, Johnny Andrews. With her voice she doesn't have to "drum up" business.

Talented National Radio Fan Club M.C. Johnny Andrews glides over the ivories.

Kay Starr "breaks-up" during a recent disk session for the R.C.A. people.

Gogi and Yogi. Gogi Grant and Yogi Berra see who's up first. Both have "hits".

## STEWBALL

LONNIE DONEGAN

Now, this is a story about a race horse  
call'd Stewball.

Now Stewball was born down there in  
California;

When I was down there the other day  
The jockeys was tellin' me  
They don't think it's an ordinary horse  
at all.

In fact, they think he blew there in a  
storm!

So my tip is:

Why, there's a big race down in Dallas,  
Don't you wish you was there!  
You could bet your bottom dollar  
On the iron grey mare.

Bet on Stewball and you might win.  
Bet on Stewball and you might win.  
Yes, bet on Stewball and you might  
win, win, win!  
Bet on Stewball and you might win!  
win!

Now all the horses they were saddled,  
And the word was giv'n "run!"  
See them horses while they shot off  
Like a bullet from a gun.

Why the old folks they hollered,  
And the young folks they all called  
And the children cried "love-love".  
At that noble Stewball.

## LADDER OF LOVE

HERB MILLER IRVING BERGER

When my heart beats like a hammer.  
And you stammer, when I'm around.  
We're starting up the ladder of love.  
When I kiss you and caress you.  
And you whisper, "Where are we  
bound?"

We're climbing up the ladder of love.  
Yes, step by step, we're going up, up, up.  
Up the stairway to romance.  
We're on our way to bliss, so let's not  
stop.

Let's be thankful that we have this  
chance.

If we're heading for a wedding.  
Where it's heaven to be found.  
Let's keep going up the ladder of love.

## BECAUSE I LOVE YOU

CHILTON PRICE

Because I love you  
I have just one desire  
To hold you close to me,  
Tenderly my own.  
Because I love you  
You're all that I require  
I place you far above ev'ry love I've  
known

So take my arms, my lips,  
The heart of me  
Take all or part of me  
I don't care what you do.  
Because I love you  
You set my heart on fire  
And darling, I can see fire for me in  
you.

## NEVER TURN BACK

HERB MILLER IRVING BERGER

If you have known only tears of sorrow.  
And you cry out for a glad tomorrow.  
Then never turn back, never turn back  
again.

Look up at the sky.

Hold your head up high.  
And make a wish on a star far above.  
If you have hope in your heart.  
Time will heal ev'ry scar.  
And soon you'll know laughter and  
love!

Tho' now you walk.

Empty dreams inside you.  
Have faith, have faith and your heart  
will guide you  
And you'll never turn back, you'll never  
turn back.  
Never, no, never turn back!

A trust in man may have once been  
shaken.

But faith in man must not be forsaken.  
So never turn back, never turn back.

I WANT YOU TO BE MY  
GIRL

GEORGE GOLDNER RICHARD BARETT

Oh, oh, oh, oh, oh, oh,  
I love you baby,  
And I want you to be my girl,  
Well come on, baby, let's go downtown.  
Rock, jump, kid around,  
I love you baby,  
And I want you to be my girl.  
Well come on, baby.

I love you so.

I'll never, never let you go,  
Come on, baby,

Will you treat me nice?

Please don't put my love on ice,

I love you baby,

And I want you to be my girl.

Come and take me by the hand,  
Tell me I'm your lover man.

We'll have fun, just we two,  
You for me, me for you.

Oh, oh, oh, oh, oh, oh, oh,

Oh, oh, oh, oh, oh, oh, oh,

I love you baby,

And I want you to be my girl.

## A KISS BEFORE DYING

CARROLL COATES LIONEL NEWMAN

Jus' as Autumn is dying.  
Comes an Indian summer.  
Like a kiss before dying.  
From the lips of July.  
Jus' as night is descending.  
Comes the splendor of sunset.  
Like a kiss before dying.  
From the day passing by.  
I thought that I found the place.  
The place where I belong.  
I trusted your embrace.  
But I was wrong.

You were only pretending.  
What have I left to live for.  
Just a kiss before dying.  
When you kiss me goodbye,  
Just as Autumn is bye.

### RING PHONE RING

BETTY & BEVERLY PRUDHOMME

R-ring, r-ring, r-ring, phone, ring. Let it be my darlin' sweet daddy. Last night darlin' we had a ball. You told me that you loved me. And that you would call.

I waited by the phone all day long. Thinking of you darling and how we got along.

You're driving me crazy, driving me mad.

Now I want you darlin'.

But you just can't be had.

You put me in a squirrel cage. Al' of your own.

Please daddy get me out of it. Just pick up that phone.

Your warm ambrace, your lyin' face. The way you love me darlin'.

Did you come from outer space. R-ring, r-ring, r-ring, phone, ring. Let it be my darlin'.

Who will end my agony.

### BIM BAM BABY

SAMMY MYSLES

Take a mip map mop an' a brim bram broom,

An' clim clam clean up the rim ram room,

'Cause your bim bam baby's comin' home tonight;

Get my slim slam slippers an' my easy chair,

Run your flim flam fingers through my breezy hair,

Then kiss me baby an' let me hold you tight;

Been north an' south an' east an' west  
But even a honeybee needs some rest,  
When I get my jacket an' trousers pressed

I'll follow the swallow right back to nest;

Don't you whim wham worry if my train is late;

Gonna shim sham shuttle on a trim fram freight;

'Cause your bim bam baby's comin' home tonight.

### FIRST ROW BALCONY

BEN RALEIGH SHERMAN EDWARDS

He broke his date with me tonight on the phone.

So I came to the picture show all alone.  
And there he is in the first row balcony.  
Sitting there with somebody else!  
He's the only boy for me, honestly.  
I thought I was his only girl exclusively.

But there he is in the first row balcony.  
Holding hands with somebody else!  
How can I watch a picture show.  
When my heart is breaking in two?  
How could he go and hurt me so?  
What did I say? What did I do?  
No matter how much she loves him.  
I love him more.  
Someday he'll want me back again just like before.

And he will be in the first row balcony.  
Holding hands again with me!

### KISS ME ANOTHER

FRED EBB CHARLES FRIEDMAN

La  
La la la la la la la la la la la la  
La la la la la la la la la la la la  
La la la la la la la la la la la la

Kiss me another, kiss me another,  
Kiss me another kiss,  
Hold me another, squeeze me another,  
Don't waste a night like this.  
Boom! ba ba boom!  
Boom! ba ba boom!

The carnival is in town,  
Al. of Dejaneiro is hot;  
The moon's dressed up like a clown,  
What a magic moment we've got!

The fire crackers go "pop!"  
Ev'ry star is tipping his hat;  
You kiss me once, then you stop,  
Oh the senor shouldn't do that!

Two strangers met in the night,  
And two hearts were glad they were born;

We two were strangers tonight,  
But we may be lovers by dawn!

### SHE'S GOT ME HOOK, LINE AND SINKER

DAVE BARTHOLOMEW PEARL KING

La la la la la la  
She calls me her sweet papa.

She's got me hook, line and sinker.  
She's ev'rywhere I turn,

But when I'm not around her  
My heart aches and it burns.

La la la la la la

She calls me her sweet papa.

She's a little bit of mama

And she's five feet from the ground,  
But when it comes to lovin'

She really puts it down.

La la la la la la

She calls me her sweet papa.

She fits me to a "T"

I'm so glad it's me,

Now like reading in the story book

She's got me and I'm hooked.

She's got a sweet disposition,

She always wears a smile,

But if I ever lose her,

I'll be just like a child

### LOVE NEVER CHANGES

MARY JO RUSH

Love never changes, as time marches on.

Love never changes, it's there with each dawn.

Once in a lifetime it comes your way,  
Deep in your heart it is there to stay.  
Filled with devotion, your life is complete,

Filled with emotion and mem'ries so sweet.

Life is a song and your dreams all come true.

This love that I feel, dear,  
Is love that is real, dear,  
My love never changes, for you.

## YOU DON'T KNOW ME

CINDY WALKER EDDY ARNOLD

You give your hand to me and then you say hello,  
 And I can hardly speak, my heart is beating so,  
 And any one could tell you think you know me well,  
 But you don't know me.  
 No, you don't know the one who dreams of you at night  
 And longs to kiss your lips  
 And longs to hold you tight.  
 To you I'm just a friend,  
 That's all I've ever been,  
 But you don't know me.  
 For I never knew the art of making love,  
 Though my heart ached with love for you.  
 Afraid and shy, I let my chance go by,  
 The chance you might have loved me too.  
 You give your hand to me  
 And then you say goodbye.  
 I watch you walk away beside the lucky guy.  
 To never never know the one who loves you so;  
 No, you don't know me.

## NEVER LOVED HIM ANYHOW

PHIL SPRINGER FRED EBB

Well, so he's finally left me,  
 Swell, glad I got the heave-ho, cause heck,  
 Never loved him anyhow,  
 So let him go.  
 Gee, ain't he actin' real huffy  
 See, how he bids me good day but me,  
 Never loved him anyhow,  
 Or anyway!

I know a man at ninety six,  
 Whose pilot light is a little bit dim,  
 But still that man at ninety six,  
 Knows more 'bout handlin' women than him!

So that's the end of the story go!  
 I won't pine for his touch, ya' know,  
 I never loved him anyhow,  
 Well anyhow, not much!

ANY PLACE IS HEAVEN  
(Just As Long As I'm With You)

BILLY VAUGHN

On a high and peaceful mountain  
 Or a crowded avenue  
 Any place is heaven  
 Just as long as I'm with you  
 Stranded on a distant island,  
 In a penthouse with a view  
 Any place is heaven  
 Just as long as I'm with you  
 You make bright even brighter  
 Darling with your smile  
 You make bright even brighter  
 You make my life worth while  
 In a shabby little cabin  
 Or a castle white and new  
 Any place is heaven,  
 Just as long as I'm with you

**WITHOUT YOU I'M NOTHING**

JERRY BOCK LARRY HOLFECNER GEORGE WEISS  
How does someone say very clearly.  
Things he don't say daily or yearly?  
Let me try to say it, sincerely, "I love  
you!"

That's how I feel, honest!  
Is that for real, honest?  
Each word is true, honest?  
What would I do without you?  
Without me?  
Without you I'm nothing.  
Without you I'm nowhere.  
Without you there's something missin'.  
Without you I got no smile.  
Without you and your sweet kissin' my  
lips are out of style.  
Without you how my tears would pour.  
My sad ol' heart will beat no more.  
I'll close up shop and lock the door.  
Without who? Without you.  
I'm nothing, without you I'm helpless.  
And although it may sound tragic.  
It adds up to this, my dear.  
If you take away your magic.  
I'll up and disappear.  
Come on, don't say bye-bye to me.  
Put on those wings and fly to me.  
I hate to think where I would be.  
Without you? Oo-oo oo.  
Without you, without you, without you,  
without you, without you.  
Without you, without you.

**SAN ANTONIO ROSE**

BOB WILLS  
Deep within my heart lies a melody,  
A song of old San Antone  
Where in dreams I live with a memory,  
Beneath the stars all alone.  
It was there I found beside the Alamo,  
Enchantment strange as the blue up  
above.  
A moonlit pass that only she would  
know,  
Still hears my broken song of love.  
Moon in all your splendor, know only  
my heart  
Call back my Rose, Rose of San Antone.  
Lips so sweet and tender,  
Like petals falling apart  
Speak once again of my love, my own.  
Broken song, empty words I know  
Still live in my heart all alone  
For that moonlit pass by the Alamo,  
And Rose, my Rose of San Antone.

**THE STORY YOU'RE ABOUT  
TO HEAR IS TRUE**

AL HOFFMAN DICK MANNING  
The story you're about to hear is true  
It all began when I met someone new  
A casual remark  
A look that lit a spark  
And there I was, with not one love, but  
two.  
I wondered at my undecided heart  
And then one day my dream just fell  
apart  
There's no one I can blame  
I played a losing game  
And now I'm all alone and blue  
Don't let this ever happen to you.

**GIVE ME A CARRIAGE  
WITH EIGHT WHITE HORSES**

FRED ELTON BERL ROTFELD  
Give me a carriage, with eight white  
horses

I've got a date with my sweetheart  
tonight

Give me a carriage with eight white  
horses

I wanna do it up right.

Give me a castle at my disposal  
Deep in a forest, away out of sight  
I need a setting for my proposal  
I wanna do it up right.

I wanna sweep you off your feet with  
dazzling treasures

Shower you with spices from exotic  
lands

I wanna be your Galahad in shining  
armor

Win you a duel, bag you a dragon,  
I'm not a fool, that's only braggin',  
I've taken stock of my cash resources

Once we are married

Then someday you'll see we will have  
That carriage with eight white horses  
A baby carriage, a three room castle,  
For baby, for you and for me.

Can't even rent me a castle tonight  
Or pay for that carriage with eight  
white horses

Still we can do it up right,  
Why don't we stay home tonight?

**LONELY NIGHT IN PARIS**

BOBBY TROUP BOB ALCIVAR  
It's a lonely night in Paris.  
Where's my love of yesterday.

The Rue Saint Honore.  
Where once we had walked together.  
Seems as bleak as a sidewalk cafe.  
In cold rainy weather.

It's a lonely night in Paris.

Gay Paree is not so gay.

C'est la vie she is gone.

And gone are the dreams we might  
have known.

It's a lonely night in Paris.

And I'm alone.

**STREET OF TEARS**

ALEX ALSTONE MACK DISCANT JOSEPH MEYER  
There's a street of tears in gay Paree  
When we reached for the stars high  
above

Hand in hand we strolled  
Watched the night unfold  
It was Paris and we were in love  
Though the dream we dreamed has  
gone astray

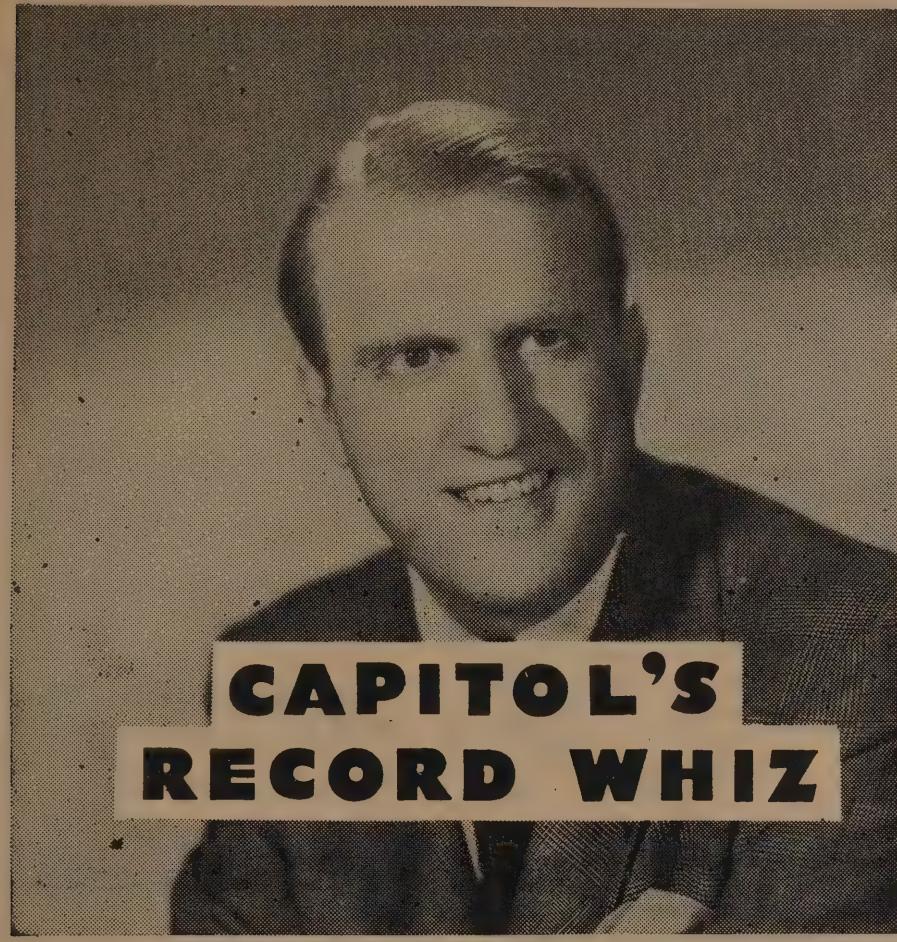

Though our love and our laughter are  
through

I can't break the chains for my heart  
remains

On the street of tears with you.

Paris is warm Paris is gay  
Lighthearted couples go by  
Paris is warm Paris is gay  
But in the shadows my heart stops to  
cry.

## CAPITOL'S RECORD WHIZ

### ANDY WISWELL

There are hundreds of A&R men in the recording business. The meaning of A&R is artists and repertoire and the man in charge of artists and repertoire does not always have the musical background so vitally necessary for the performance of his duties. A good A&R man should be able to read music and give songs submitted to him a fast but accurate evaluation. Then, too, since he is responsible for the singers and instrumentalists, he should be a good judge of voice and musicians. And if that isn't enough of a chore, he must also know how to produce a recording session. He should know about musical arrangements and orchestrations. And he has to make quick decisions in the control room when the songs are being recorded. It is his decision that could make or ruin a record. Through the year thousands upon thousands of dollars are spent on his judgment. In the top companies it can run into millions of dollars. So, with all these responsibilities, it is easy to understand why there are relatively few excellent A&R men in the business.

Andy Wiswell is a top A&R man. He has the essential background, is alert and most capable. He is a good technical man, pays attention to details and is on his toes from start to finish when recording time rolls around.

Andy, as A&R director in the East for Capitol Records, is probably the best educated A&R man in the business. He is frequently taken for a Britisher but Andy is a dyed-in-the-wool Yankee from the upper U. S. — Maine that is. He has a solid musical background to his credit, and it was his ability as a trombonist that enabled him to work his way through college. He played professionally in bands while attend-

ing the University of Maine and Yale University.

When he graduated from Yale, Andy engaged in production of musical radio programs. He became vice-president of Muzak Corporation, where he planned, produced and directed the entire APS library catalog of over 5,500 selections, plus the Muzak record catalog of over 5,000 songs. He is also the composer of many ballads, dance tunes, themes, production music and commercial jingles.

Andy really knows talent, and this is evident when we know that long before they were stars Andy Wiswell selected and hired Vic Damone, Rosemary Clooney, Guy Mitchell, Evelyn Knight, Mindy Carson and others to record for Associated Program Service. Andy also produced the entire catalog of Silvertone phonograph records for Sears Roebuck. He is a recognized authority on music clearances, copyright matters, etc.

**TIPS TO SINGERS AND WRITERS:** Mr. Wiswell advises youngsters who want to sing professionally to first make certain they have the talent, ability and staying power to compete in this highly competitive field.

It is important for the singer to believe in what he is doing — whether it be classical or rock and roll. It is Mr. Wiswell's contention that if the singer's sincerity will come across to the public that they will help him succeed — primarily by buying his records.

He warns songwriters to work only through accredited publishers and to steer clear of publishers asking fees of any kind. Record companies, as a rule, do not look at unpublished songs, so it really is both faster and better to have a reputable publisher handle your songs.

## Tony Looks At America

Every day the HIT PARADER office is flooded by letters from all over the world. You'd be surprised to find how many of your pals from foreign lands are "up" on what's happening to the "Pop" field.

Recently we received a letter from Tony Satram all the way from Cape-town, South Africa. We found his letter really interesting so we thought we'd pass along some information on the life of a teenager in South Africa.

Tony Satram is an Indian youngster 18 years old. Like all you teenagers he's "gone" on the "tops in pops" and his favorite singer, is none other than Eddie Fisher. Beside the fact that Tony likes Eddie he also sings like him and has been nicknamed "South Africa's Eddie Fisher." In a recent contest he came in second, and was awarded money, a radio and 50 boxes of soft drinks. He sang the Eddie Fisher smash, "My Friend." It looks like Tony has a future as a singer and we know you join with us in wishing him the best for a successful future.

Tony has many hobbies, including soccer, writing and naturally, singing. Tony is eager to find out more about this great country of ours and would like some pen-pals. Here's your chance to become ambassadors of good will "and learn first hand about the life of youngsters in other lands. This young fellow has a great dream to visit the United States. Tony's own words express more powerfully than any we could use how strongly he feels this. "One day I hope to visit the U. S. A. of which I've heard so much about and which I respect from the bottom of my heart." Our young friend complained

about the scarcity of "Hot Jazz records" and hopes this situation will improve.

We noticed in his letter how little things that we take for granted could mean so much to teenagers in other lands. For example fan clubs, jeans and sweaters really impressed Tony. He hopes that someday this custom would be adopted in his country.

Tony Satram wants to be registered in the N.R.F.C. in the name of his favorite singer, "Eddie Fisher." And we are happy to announce that this will be done as soon as we receive his snapshot. Look forward to seeing Tony's entry in a forth coming issue of HIT PARADER.

For those of you, who would like to become Tony Satram's pen-pals we are enclosing his address:

ANTHONY SATRAM  
108 Constitution St.  
P.O. Box 1073  
Cape Town, South Africa

We think this is a fine opportunity for you teenagers to really get in there and pitch for our good old U.S.A. As nieces and nephews of Uncle Sam you have this opportunity to let our neighbors in faraway lands know why we love this country of ours.

Now getting back to Tony lets show him how friendly we are and swamp him with letters. I'm sure he'll really appreciate them. So let's get going gang.

## MARY SMITH

SID TEPPER ROY C. BENNETT

Hello, hello, I'm calling Mary Smith  
Is this the Mary Smith I was dancing  
with

Last night at Josie's party was the  
First time that I met her,  
Then twelve o'clock she disappeared,  
And I just can't forget her.

She didn't tell me where she lives,  
Her name is all I know,  
A hundred and seventy Smiths I've  
called,  
Just two hundred more to go.

Hello, hello, please tell me it was you,  
Or I'll be on the phone  
Till the cows come home.  
It would be so easy to call any other  
Mary at all,  
But I had to go and fall for Mary  
Smith.

## CONDEMNED FOR LIFE (With A Rock And Roll Wife)

BOB HILLARD MOOSE CHARLAP

Condemned to be with a rock and roll  
she  
Who's rocking me right out of my  
head.  
Condemned for life with a rock and  
roll wife.

Condemned, condemned, condemned,  
condemned for life.  
To live with a rock and roll wife.

Early in the morning.  
She's in that rockin' mood.  
She rocks all night in the candy store.  
While the baby cries for food.

When I come home for dinner.  
The dinner's never there.  
She's listening to some jockey.  
Who is rockin' on the air.

Shopping on a motorcycle she whizzes  
by the cars.  
With a portable radio in her lap.  
She listens to the record stars.

When I hug and squeeze her she tells  
me to be cool.  
Then she cries and moans and sings  
some rockin' song.  
About a fool.

Records on the ceiling.  
And records on the floor.  
The milkman on the floor.  
The milkman whistles waltzes, so she  
threw him out the door.

Ask me if I'd leave her.  
I'd have to answer, "No!"  
I stand for all this rockin' 'cause I love  
my baby so.

Condemned, condemned, condemned,  
condemned for life.  
To live with a rock and roll wife.

## TORNADO

DALE EVANS

Old Satan hates a peaceful sky,  
He's waitin' for a chance to fly.  
Tornado!  
Tornado makes your blood run cold.  
Tornado once can make you old.  
Tornado!

Look up and see a yellow sky.  
Sparrows are all afraid to fly.  
Not a breeze, not a breath,  
Ev'rything is still as death,  
Tornado!

Uneasy cattle on the range,  
Old Ship is actin' mighty strange.  
In the west a fearful sight,  
Funnel cloud as black as night,  
Tornado!

Gather your crew, sound the alarm,  
Pray real hard, this is no mere storm.  
Tornado! tornado!

Tornado waits for no man.  
Run to the cellar if you can.  
Faces whitenin' like a shroud.  
Here it comes, that devil cloud,  
Tornado!

After the devil cloud has gone  
You wonder how you can go on.  
Buildings that were once a town,  
Scattered all along the ground.  
Tornado!

Once you've seen it, mister,  
You won't forget a twister  
Tornado!

## MY PIGEON'S GONE

JOHN DAVENPORT

I built a nest for a sweet little pigeon  
And she flapped her wings and flew  
I built a nest for a sweet little pigeon  
'Cause I thought that she'd be true  
She left poor me, didn't say goodbye  
It ain't my fault, at least I tried  
I built a nest for a sweet little pigeon  
And she flapped her wings and flew.  
My pigeon's gone and I feel so blue  
She flapped her wings  
And away she flew

She's a cute little pigeon,  
She's a real humdinger,  
Believe me when I say  
She's a cute little pigeon,  
She's a real humdinger,  
But she upped and flew away  
The things I said weren't good enough  
She heard another birdie and she dug  
. his stuff

I built a nest for a sweet little pigeon  
And she flapped her wings and flew.  
And she flapped her wings and flew.

Ev'ry morning I'd always hear her  
singing to me,  
A sweet and lovely song  
Then one morning I didn't hear her  
singing to me,  
And I knew that she was gone

She knew I loved her and was so true  
I wonder what in this world did I do  
I built a nest for a sweet little pigeon  
And she flapped her wings and flew.

TEDDI KING

Young Teddi King, RCA Victor's newest addition to its jazz roster, has been hailed by professional musicians as the most important vocal discovery since Ella Fitzgerald and her new album, "Bidin' My Time," will attest to this fact.

Teddi was born in Boston of musical parents. Her mother owned a good singing voice, and her father was a song-and-dance man in the days of vaudeville. Music was always a part of Teddi's home life, and her most vivid memories are those of her parents singing together and teaching her songs.

From early childhood Teddi made numerous appearances, singing, dancing and acting. While she was in high school at Malden, Mass., she joined the Tributary Theatre of Boston, where she played a variety of dramatic roles from Shakespeare to Saroyan. It was during this time that she sang in a musical version of "Peter Pan," which brought her rave reviews and encouraged her to take up a singing career.

Her first activity as a vocalist was her entrance into a singing contest at the RKO Boston Theatre. Teddi walked off with first prize over 500 girls. She then began a series of local appearances, and one night, at a Damon Runyon Benefit at "Storyville," the well-known Boston jazz bistro, she was heard by George Shearing who immediately became interested in her career. Shearing got her a recording contract and Teddi made records and went on a concert tour with the Shearing group.

Aside from making jazz albums for RCA Victor, Teddi will also do some intermittent pop singles for the company. We're sure they'll be in great demand.

RUSSELL ARMS

Russell Arms, the handsome young man who is one of the featured singing stars of "Your Hit Parade" (NBC-TV, Saturday, 10:30 p.m., EST), was a straight dramatic actor for more than five years before show business discovered that he had a fine singing voice.

Born in Berkeley, Calif., on February 3, 1926, Russ was smitten early with the acting bug and played leads in class plays at neighboring Burlingame High School, despite the fact that neither his parents, nor his two brothers and sister, had ever displayed the slightest histrionic leanings.

Following junior college at San Mateo, he went on to the famed Pasadena Playhouse for three years. The very week he graduated, the promising young thespian was signed to a 7-year contract by Warner Brothers. The next three years saw him before the sound cameras, busily occupied with such film fare as "The Man Who Came To Dinner," with Monty Woolley; "Captains of the Clouds," with James Cagney, and "Wings for the Eagle" with Ann Sheridan and Dennis Morgan.

The remainder of Russ's film contract was put in abeyance while he heeded the call of Uncle Sam, via the Signal Corps of the U. S. Army, where his face and voice eventually became familiar to millions of GI's through numerous training films in which he narrated and acted. He was discharged a Lieutenant in 1946.

Early in 1951, Russ was hired to do "live" commercials for Lucky Strike cigarettes that were seen on "Your Hit Parade" and "Robert Montgomery Presents." The producers of "Your Hit Parade," aware of his ready appeal as a singing actor, began using him in production numbers.

## PICNIC

## (Theme From Picnic)

STEVE ALLEN GEORGE W. DUNING

On a picnic morning without a warning  
I looked at you and somehow I knew  
On a day for singing  
My heart went winging  
A picnic grove was our rendezvous  
You and I in the sunshine  
We strolled the fields and farms  
At the last light of evening  
I held you in my arms  
Now when days grow stormy  
And lonely for me  
I just recall picnic time with you.

## YOU'LL REACH YOUR STAR

SID SILVERS ULPPIO MINUCCI

You'll reach your star  
Though right now it's ah, so far,  
And oh, so many miles away from you.  
You'll find your dream  
It you'll only keep that dream,  
For good dreams have a way of coming  
true.

You'll learn the wonder  
Of what I'm speaking of,  
Through life's troubled thunder  
You'll find your way to love.  
You'll reach your goal,  
Though your heartaches take their toll,  
So keep your hopes as high as they are,  
And you will reach your star.

THE TENNESSEE ROCK 'N'  
ROLL

LARRY COLEMAN IRVING REID

Oh, I went down to Tennessee;  
Yes, I went down to Tennessee.  
What did I see in Tennessee?

They were doin' the Tennessee rock 'n'  
roll!  
They were doin' the Tennessee rock 'n'  
roll!  
Upon my soul, the Tennessee rock 'n'  
roll!

I saw a place where dancers meet;  
I swear I saw the dancin'est feet.  
You never heard a wilder beat!

The caller called "let's promenade!"  
The fiddlin' man looked "gone" as  
he played.

The old square dance had been remade!

I was doin' the Tennessee rock 'n' roll!  
I was doin' the Tennessee rock 'n' roll!  
Upon my soul, the Tennessee rock 'n'  
roll!

Come on, let's all do the Tennessee  
rock 'n' roll!  
Come on, let's all do the Tennessee  
rock 'n' roll!  
Upon my soul, the Tennessee rock 'n'  
roll!

Then all at once, before I knew,  
I joined in with the hullabaloo!  
I dug the beat and did it, too!

## YOU ALWAYS HURT THE ONE YOU LOVE

DORIS FISHER ALLAN ROBERTS

You always hurt the one you love,  
The one you shouldn't hurt at all  
You always take the sweetest rose,  
And crush it till the petals fall  
You always break the kindest heart,  
With a hasty word you can't recall  
So if I broke your heart last night,  
It's because I love you most of all.

## COAL DUST ON THE FIDDLE

DON GEORGE BEE WALKER

I met a gal in a mining town.  
Her hair was black and her eyes were brown.  
She made my heart go round and round.  
While we danced the night away.

All night they played the sweetest music.  
Played the sweetest music.  
That's been heard this side of Paradise.  
There was coal dust on the fiddle.  
Coal dust on the fiddle.  
And star dust in her lovely eyes.

Next day we met at the gen'ral store.  
She sure did thing to a pinafore.  
And then we went and kissed some more.  
While we danced the night away.

All night they played the sweetest music.  
Played the sweetest music.  
That's been heard this side of Paradise.  
There was coal dust on the fiddle.  
Coal dust on the fiddle.  
And star dust in her lovely eyes.

We said the vows that have made us one.  
We're man and wife and the deed is done.  
There's time for work, there's time for fun.  
And we danced the night away.

## PAST THE AGE OF INNOCENCE

NORMAN GIMBEL BILL SAWENS

Don't smile and pass me by  
I'm not a child of three  
It takes no sage to see  
I'm past the age of innocence  
You may still picture me  
Upon my daddy's knee  
But if you look you'll see  
I'm past the age of innocence  
I've grown some  
And like most grownups I'm lonesome  
And ready or not  
I've fallen in love with you!  
I've said it, now I'm done  
The rest is up to you  
What can a lady do,  
But wish and wait for fate  
To see her through.

## WARM ALL OVER

FRANK LOESSER

Where's that smile  
Where's that glow?  
Where's that happy face  
That I depend on so  
Or didn't you know?  
It makes me feel warm all over,  
Warm all over.  
Ev'rytime you smile  
You get me warm all over.  
Sometimes I feel kind of out in the cold,  
But then I touch your hand  
And I'm home again  
And warm all over, warm all over,  
Gone are all the clouds  
That used to swarm all over.  
Please always let me keep feeling the way I do,  
So warm all over with a tender love for you.

## BRIGHT RED CONVERTIBLE

SYLVIA DEE MARTY GOLD GUGO TAIANI

I could lick any guy my size  
And do it with delight  
I'd punch his nose and black his eyes  
But how can a fella fight

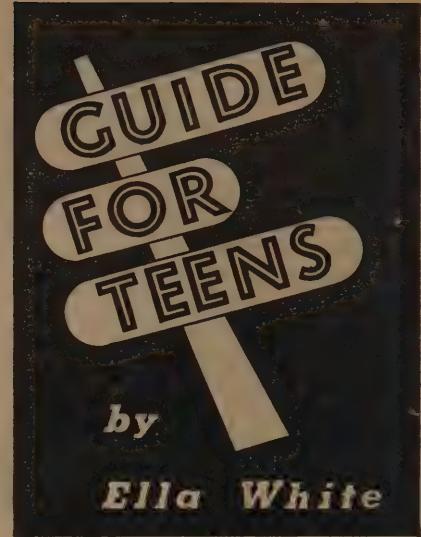

A bright red convertible  
A bright red convertible  
A bright red convertible  
Stole my gal from me

She took one look at it and then  
Her big blue eyes grew wide  
She didn't even stop to see  
What the guy looked like inside

She wrote a farewell note to me  
Which said she felt so bad  
She missed me and she loved me still  
She'd come back when I had

A sweepstake ticket I will buy  
And if by chance I win  
As she comes out of her front door  
I'll drive right by her in

### Secrets Of Beauty

Only 2% of the women living in the United States have abnormally dry skin, whereas no less than 14% have excessively oily skin. The mere absence of an oily surface film is not necessarily an indication that one has a "dry" skin. Of course, if a skin is excessively dry and remains so; if it is parched and drawn looking over the nose and cheeks, rough and scaly, if fine lines are in evidence around the corners of the eyes and mouth; if it has a "dry" shine, feels "tight" and uncomfortable — then you have a really dry skin. The condition may be due to nothing more than the habitual use of soap and hard water (containing insoluble minerals which serve, with soapsuds, to dry up the natural oil).

#### Dry Skin Needs Soap And Water Too

A dry skin of the more easily remedied type, or a skin with a tendency to dryness, requires the same thorough cleansing as an oily or normal skin. Contrary to popular belief, soap and water washing should not be abandoned. However, in place of ordinary soap and water, fresh rain water, distilled water, or water to which softerener has been added should be used, along with a superfatted Ar-Ex soap. Once a day, and preferably before retiring, the face should be lathered and scrubbed, a wash cloth or complexion brush being used to work in the lather, whip up circulation and thoroughly cleanse the pores. At other times of the day, cleansing cream should be used, the cream being smoothed on with an upward movement from the chin, over the mouth, then upward and outward over the nose, forehead and cheeks.

#### What To Avoid If You Have A Dry Skin

The girl who has a dry skin should avoid the use of glycerine and of coconut oil soaps, which are said to be irritating to dry skin. She should avoid undue exposure of the skin to the rays of the sun, unless she has a heavy application of good sunburn preventive on the face. She should avoid remaining under hair dryers too long because the heated air draws moisture from the skin and increases the tendency toward dryness.

Soap and water cleansing of a dry skin should be followed by application of a good lubricating or all-purpose cream, which will supplement the natural oils of the skin and thus help to keep the skin soft and smooth. If applied just before going to bed, cream may be left on during the bath and throughout the nite, a towel being placed over the pillow to prevent staining.

# Amazing Proof That Anyone Can Play Music!

No Teacher or Special "Talent" Needed — We Show You How  
to Sit Right Down and START PLAYING REAL MUSIC at Once

IT'S not what we say about our wonderful easy way to learn music that really counts. It's what our 900,000 STUDENTS say. And THEY send us thousands of enthusiastic comments like those reprinted here — saying it's what they've always dreamed of! A quick, easy way of learning to play any musical instrument. WITHOUT suffering through dull "theories" first. WITHOUT practicing boring scales and exercises. WITHOUT spending time and money on a private teacher.

You just sit right down with the piano, guitar, accordion — or any instrument you're interested in — and actually begin to play. Simple little songs and hymns at first. Then, as days go by, more advanced compositions. Soon you'll amaze your friends by playing almost anything they request!

#### Even Children "Catch on" At Once

No "trick" methods. This wonderful home study method teaches you to play *real sheet music*. Big, clear pictures and simple how-to-play-it directions make every step simple as A-B-C. So clear, so easy to understand.

#### 12-Year-Old Surprises Her Friends

"I am twelve years old. Thanks to your Course, I was able to play for the department in our church. All my friends were certainly surprised when they discovered I could play!" — *Patsy Jeffrey, Sweetwater, Texas.*

#### Opened Door to Popularity

"I was able to play pieces in a short time. Family and friends certainly surprised. Course opened door to popularity, wider circle of friends." — *Peter H. Kozyra, P. O. Brokenhead, Manitoba.* (Picture on other side of page)

#### Now Invited Out Lots

"It's been fun. Hasn't cost anywhere near as much as private teacher. Now invited to affairs, dances. Auditioned for 'Barn Dance Jamboree'!" — *Howard Hopkins, E. Syracuse, N. Y.* (Picture on other side of page)

stand, even children "catch on" right away. Whole family can learn for price of one. Costs only a few cents a lesson, including over 100 pages of valuable sheet music.
